

STAINDROP LIVE

‘Here to support the community’

High quality online lessons with Staindrop Academy for Year 5 and 6.

We are delighted to launch our transition programme for all students in Year 5 and 6. To make sure every child in the community has the best possible preparation for making the move to secondary school education, we have set up an exciting package which gives students a real taste of what secondary school life is about.

We hope you find this beneficial and we look forward to an exciting few weeks ahead!

A code will be provided by your primary school to access the lessons at home or at school via ZOOM.

FOOD

MISS CLEMENT

9.15 -
9.45 AM

LESSON

Let's have a little trip to Italy and learn how to make a pizza! We will cover how to create different shapes, discuss different toppings and also learn what yeast is all about.

PE

MR CHROSTOWSKI

10.00 -
10.30 AM

LESSON

Sports from around the world! In this session you will discover new sports that you may have never heard about before and look at where they come from. You will learn about the sport, along with their origin, rules and scoring system.

WELLBEING

MRS HESLOP

10.45 -
11.15 AM

LESSON

CalmaClass is a creatively oriented right brain approach to mindful awareness that encourages students to get in touch with core personal values of self-worth, happiness, kindness and gratitude. The exercises help students to understand their own minds and consciously recognise their emotions and so increase mental and emotional wellbeing.

Students will take part in stretching, breathing, self-massaging, affirmations and visualizations exercises throughout the session.

GEOGRAPHY

MRS BARRATT

11.30 -
12.00 PM

LESSON

Hot deserts! Let's discover the desert. Find out about the different animals within the desert and how they adapt to the environment.

STAINDROP MASTERCLASSES

Join our MasterClasses from 4-4.30pm on a Wednesday evening

The sessions are have been designed to consolidate students current knowledge from Key Stage 2 and challenge them to go further!

Zoom codes to be provided for schools who sign up for the events.

MATHS

3RD
MARCH

LESSON: Definitely maybe?

All things probability, from the chances of having the same birthday as someone else to how to win a car (and not a goat) in a gameshow finale. Play your cards right and let the Maths help you win!

ENGLISH

10TH
MARCH

LESSON: Core Reading skill

How do writers create hidden meanings in texts? What are the key techniques used by writers to do this? We will examine a short poem where we explore some of the strategies used by poets to create these effects.

SCIENCE

17TH
MARCH

LESSON: Light

What is light? Where does light come from? Where does it go in the dark? How do we use light to see things?? We will try to answer these questions.

PARENT FEEDBACK

“Our daughter has been engaging well with online learning and have provided really great lessons across the board.”

“Fantastic effort by all setting up the home learning and worked fantastically.”

“Thank you to all the staff supporting our children and families. You are a credit to the community and education system.”

“Your commitment and enthusiasm shines through which is regularly highlighted.”

“Well done Staindrop Academy, everything has been set up so professionally.”

“Congratulations to Staindrop Academy and staff. I am so impressed with the organisation and professionalism from all the staff.”
